

Technology

SingerLewak's knowledgeable professionals are experts in the regulatory issues, the complex accounting rules and the sensitive nature of the technology industry. We bring more than 30 years of experience as independent accountants and tax advisors to many technology companies.

OUR EXPERIENCE EXTENDS TO:

- Software development and installation companies
- Hi-tech manufacturing
- Internet companies
- Telecommunications
- Computer hardware
- Research and Development
- Interactive games

IN ADDITION TO OUR CORE SERVICES, WE PROVIDE:

- Transaction advisory services
- Internal audits and Sarbanes-Oxley implementations
- Public offering support
- Foreign tax expertise
- Revenue recognition consulting
- R&D tax credits
