

PROFESSIONAL SERVICES

SingerLewak brings many years of experience to the Professional Services industry. We understand that Professional Services firms are under the scrutiny of an ever-changing economic landscape pressured by client demands, uncertain tax environments, retirement, succession issues, business merger and acquisition challenges and the need for cash flow optimization.

Our group of experienced professionals work closely with our professional services clients, understanding their needs in managing the present and making recommendations for the future. We understand your business and can make the proper assessments to benefit your business and practices.

OUR EXPERIENCE EXTENDS TO:

- Law Firms
- Staffing Companies
- Engineering Firms
- Broker-Deals
- Printing Services
- Service As A Software (SaaS) Providers
- Architecture Firms

OUR EXPERTISE:

- Tax Strategies
- Cash & Financial Management
- Succession & Transition Planning
- State and Local Taxes (S.A.L.T.)
- Management Consulting & Strategic Planning
- IT Consulting Services
- Back Office Accounting
