

INTERNATIONAL TAX

SingerLewak's International Tax practice brings together the best of both worlds: an entrepreneurial firm with more than 55 years serving businesses and highly experienced international tax professionals with more than 40 years of combined experience and hands on problem solving skills.

Trust our International Tax Group to guide you with your cross-border business structure:

Foreign companies come to the US for various reasons. Our international tax services group will work closely with your particular business situation. We will advise you on the best structure to help you succeed with international tax strategies and regulations. We believe businesses and individuals succeed when you have the right financial partner guiding you through the complex web of doing business on an international platform.

Our practice combines the breadth and depth of a large firm but with an entrepreneurial mindset and nimble culture. Additional areas of expertise include:

- Business acquisitions
- Sales initiatives / revenue recognition
- Guidance on hiring and inpat/expat payroll or tax equalization/protection agreements
- Part-time CFO
- Non-residents and US

When you are looking to do business internationally, we understand the need to be efficient:

- Well versed, highly experienced international tax know-how
- A team that understands all the nuances of international tax compliance issues and cross-border regulation
- Fast, comprehensive guidance
- Deep international network and best practices with a highly experienced team

Our unique position in international services will allow our team to deliver results. Our professionals have years of international, cross-border, tax expertise with most of our team members having past careers at Big 4 firms. We provide a wide variety of compliance and advisory analysis including:

- Structural decisions such as treaty interpretation
- Selection of the most tax-efficient entity
- Export incentives using an IC-DIS

In addition to guiding international entities and/or individuals, our tax professionals can prepare compliance and disclosure documents for foreign business operations and foreign bank accounts.
