

NONPROFIT ORGANIZATIONS

SingerLewak understands that each Nonprofit Organization is unique. The key to our success is that we take the time upfront to learn about your organization. Only then can we design a service delivery approach that answers your specific needs and goals.

By providing quality and cost-effective services in a timely manner, we help Nonprofit organizations achieve their goals of accountability. With 5 Partners, 3 Directors and over 80 staff trained to serve Nonprofits, we are able to provide audits with the proper level of experienced personnel to accommodate all deadlines.

Nonprofits are accountable to many stake holders:

Founders and Donors • Government • Clients
Employees • Board • Community

We help our clients meet those stakeholder expectations by offering a comprehensive array of specialized services such as:

- Audits, HUD audits and OMB Circular A-133
- Student financial aid audits
- California Department of Education childcare audits
- Forms 990, 990-PF, 990T and 5500 preparation
- Information on current tax and accounting regulatory news
- Staff training through SingerLewak's Training Division
- Cost allocations
- Cash flow planning
- IT Consultation
- Board training and retreats
- Budget preparation
- Planned giving, capital campaigns and bond financing
