

State and Local Tax (SALT) Services

A Practice Group by SingerLewak

State & Local Tax Overview

State and local taxes can significantly impact a company's cash flow, effective tax rate, and risk profile if not evaluated regularly. Our expert SALT professionals have the technical knowledge to assess your company's tax profile accurately and effectively through:

- Comprehensive review of your company's tax position
- Risk analysis to identify potential issues and opportunities
- Planning strategies to manage future growth and mitigate taxes

Unclaimed Property

- **Payment / Payables Analysis:** Our specialists identify all reportable unclaimed property.
- **Internal Process / Compliance Review:** We build an internal process to capture and report unclaimed property tailored to your specific industry.

Property Tax

- **Compliance / Reporting:** Full-service property tax compliance, from high-volume single-asset returns to complex multi-asset returns, with annual audits to ensure our processes and internal controls hold up.
- **Asset Valuation & Classification:** A customized service in which our team thoroughly reviews, evaluates, and reclassifies each asset.
- **Communications with State, County & City Assessor Offices:** We maintain ongoing communication with taxing authorities whenever the need arises.
- **Appeals:** Our experts evaluate potential valuation issues that may lead to reduced assessments or refunds, working with the County to establish a new basis in value that delivers lasting tax benefits.
